## CLUB MODULAR LAYOUT

The club's portable modular layout is an attraction at many venues around the area, including fairs and local train shows.

Kids are always attracted: Here is the layout at a recent showing at the Loveland City Library.

THE  
NORTHERN COLORADO MODEL  
RAILROAD  
CLUB

WHAT IS THE NORTHERN  
COLORADO MODEL RAILROAD  
CLUB?

Thank you for showing interest in the NCMRC. Our hope is that you will find a club that not only tries to conduct educational and informative meetings, but also places a strong emphasis on member interaction. Individuals who were interested in model and prototype railroading formed the NCMRC over 30 years ago.

---

## MONTHLY MEETINGS

---

NCMRC meets the fourth Thursday of each month except in Nov. (3<sup>rd</sup> Thurs.) & in Dec. (3<sup>rd</sup> Thurs.) on a round robin basis between Fort Collins, Greeley and Loveland. Meetings start at 7:00 PM.

**Fort Collins:** Harmony Presbyterian Church, 400 East Boardwalk Drive

**Greeley:** Colorado Model Railroad Museum, 680 10<sup>th</sup> Street

**Loveland:** First United Methodist Church, 533 Grant Avenue

---

## LAYOUT TOURS

---

Many Saturdays following a club meeting one of our members will open their home to current club members for a layout tour. Layout tours are one of the club's most popular activities.

---

## PROGRAMS & CLINICS

---

Every month the club offers the membership a program related to model railroading or prototype railroading. Several times a year the club offers the membership two to four mini-clinics dealing with various aspects of modeling.

---

## MODELING CONTESTS

---

Each November the club has its annual contest. There are usually six categories for competition including the best of show.

---

## TRAVELING CLUB LAYOUT

---

The club has a traveling modular layout designed to take to local and regional events. The layout has been designed for operations, but it is primarily used to promote both the club and the hobby of model railroading.

---

## CLUB PICNIC

---

During the summer the club holds its annual picnic. During the year the club tries to pick an activity or field trip that is of interest to most of the membership.

---

## NEWSLETTER

---

The club produces a monthly newsletter called "*THE DISPATCH*" that includes information on all club activities along with numerous model and prototype articles.

---

## CLUB WEBSITE

---

The club has a very extensive website containing lots of information related to the club and its numerous activities. Members can create an account to access restricted areas of the website. The website is one of the club's best educational and informational tools.

---

## VIDEO LIBRARY

---

The club has a very large and extensive DVD and book share library on railroads and modeling. DVD's can be reserved and checked out at most club meetings. Arrangements to borrow or view a book require contacting the owner.

---

## SHOW AND TELL

---

We conduct a Show N' Tell as part of most meetings. This is an opportunity for members to show and explain their modeling skills and research work.
